## SAFETY

Dear Guests

Welcome to our hotel.

To ensure your safety, we are always working hard to prepare ourselves for emergency situations.

As a safety precaution, we would like you to take note of the below items.

Thank you for your cooperation.

When arriving at your room:

- In case of emergency, please check the location of emergency exits and fire extinguishers.
- Please be very careful about possible sources of fire.

If you notice fire:

- Call the front desk by dialing 9 immediately.
- Please alert any occupants of nearby rooms.
- Please call the front desk by dialing 9 even in the event you see or smell any smoke.

If a fire occurs within the hotel:

- Our emergency announcement system will sound an alarm in the event of a fire.
- Please follow staff in a calm and orderly manner as you are led to safety.

When you need to escape from a fire:

- In order to prevent the spreading of both smoke and fire, please do not forget to close the door when leaving your room.
- Cover your mouth and nose with a wet towel.
- Stay low and proceed along the hallway walls towards an emergency stairwell that is free of fire.
- Do not use the elevators under any circumstances if a fire has occurred.
- After you have evacuated to safety, do not return to your room for any reason.

If an earthquake occurs:

- You will hear instructions being broadcast throughout the building ; please follow these instructions.
- Keep away from any windows.
- Keep your head protected.
- Put out any cigarettes immediately.
- Do not use the elevators under any circumstances.
